

supraCharger ECO

Charging station

supraCharger ECO

supraCharger ECO

With the supraCharger for the supraGuide ECO, up to 24 audio guides can be charged simultaneously. In addition, the content for the guided tours can be deployed on all the devices.

The language selection of the respective guided tour is easily activated via the intuitive menu navigation on the built-in touch screen.

A multi-coloured display on the charging slot shows the respective charging status of the devices. You can easily cascade the desired number of slots by simply lining them up.

Technical specification

Dimensions (empty)	395 x 220 x 37 mm
Dimensions (full)	395 x 220 x 180 mm
Weight (empty)	2.75 kg
Weight (full)	4.45 kg
Power supply	external power pack (DC Output 12 V \approx 7.0 A)
Noise	no noise generation
Heat	no heat generation in the charging device thanks to external power supply
